ACE OVERVIEW AND APPLICATIONS

ACE 200i:

Light weight, powerful, entry-level detector that's easy to learn. Simple One-Touch operation; turn on and begin hunting!

Ideal for: Coins, jewelry, dry beach and fresh water wading. Can also be used for entry-level prospecting and relic hunting.

ACE 300i:

A powerful performer at a bargain price. The ACE 300i has more modes than an ACE 200i and enhanced features to help find more treasure.

Ideal for: Coins, jewelry, artifacts, dry beach, fresh water wading and rallies/competition events. Can be used for entry-level prospecting or cache hunting.

ACE 400i:

The top of the ACE family, the 400i has new Iron Audio feature, a powerful DD coil, a higher frequency, and volume control headphones.

Ideal for: Coins, jewelry, artifacts, dry beach, fresh water wading, rallies/competition events, cache hunting, and it has improved features for prospecting.
